Copyboard systems

Thanks to the modular design of the Zeutschel overhead scanners, bookscanners and cameras there is an optimum scanning table with or without glass plate available for each kind of use.

Microfilm cameras OK 400/401

Microfilm is still the most cost effective and resilient medium, for long-term archiving. Zeutschel offers all sorts of solutions for micro-filming to the highest standard.

Accessories

On all aspects of microfilm Zeutschel offers a wide range of devices for the development, duplicating, testing and viewing of 16 and 35 mm rollfilm and microfiche.
